Secretary Mike Chrisman  
Secretary for Resources  
1416 Ninth Street  
Suite 1311  
Sacramento, CA 95814

Dear Secretary Chrisman,

Thank you for the invitation to participate on the CEQA improvement advisory group. I would be pleased to participate.

My interest in this issue is to ensure that the discussion is focused on a narrow set of practical improvements that can be easily be implemented. Also, to ensure that these changes both reduce the cost of regulations while improving the delivery of enduring conservation

Thank you for your invitation.

Best,

Steve Johnson  
Director of Strategic Initiatives
